Commission on Population and Development
Forty-fourth session
11-15 April 2011
Item 7 of the provisional agenda*
Programme implementation and future programme of work of the Secretariat in the field of population

Draft programme of work of the Population Division, Department of Economic and Social Affairs, for the biennium 2012-2013

Note by the Secretariat

1. The draft programme of work of the Population Division of the Department of Economic and Social Affairs for the biennium 2012-2013, which is contained in the annex to the present note, is submitted for the consideration of the Commission on Population and Development in compliance with the Regulations and Rules Governing Programme Planning, the Programme Aspects of the Budget, the Monitoring of Implementation and the Methods of Evaluation (ST/SGB/2000/8).

2. The General Assembly has approved, in its resolution 65/244, the biennial programme plan for the period 2012-2013, which includes the elements of the programme narrative, namely, the objectives, expected accomplishments and indicators of achievement, of the population subprogramme.

3. The draft programme of work presented below includes, in addition to the programme narrative, a list of outputs formulated within the framework of subprogramme 6, Population, of programme 7, Economic and social affairs, for the period 2012-2013.

4. The Commission is invited to take note of the programme narrative and to review the proposed outputs to be included in the proposed programme budget for the biennium 2012-2013, which will be submitted to the Advisory Committee on Administrative and Budgetary Questions and to the General Assembly at its sixty-sixth session.

Annex

Draft programme of work for the biennium 2012-2013 for the Population Division, Department of Economic and Social Affairs

Objective of the Organization: To strengthen the international community's capacity to effectively address current and emerging population issues and to integrate the population dimensions into the development agenda at the national and international levels

Expected accomplishments of the Secretariat	Indicators of achievement
(a) Enhanced awareness of the international community of new and emerging population issues and increased knowledge and understanding, at the national level, in particular in the areas of fertility, mortality, migration, HIV/AIDS, urbanization, population growth, population ageing and the environment	(a) (i) Increased interaction of the subprogramme with other key stakeholders in the area of population (ii) Number of activities to address population issues through capacity-building at the national level
(b) Effectively facilitate review by Member States of progress made in the implementation of the Programme of Action of the International Conference on Population and Development, the outcome of the twenty-first special session of the General Assembly and the outcomes of the United Nations conferences and summits in the social and economic fields related to population and development, including the Millennium Summit and the 2005 World Summit	(b) All documents produced by the subprogramme for the Commission on Population and Development are made available to Member States on time
(c) Improved accessibility and timeliness of population information and data for use by Member States, the United Nations system, civil society and academia	(c) Increased number of subscribers to the Population Division e-mail alerts service

External factors

Member States will remain committed to the goals and objectives of the International Conference on Population and Development and the relevant goals of the outcome documents of the Millennium Summit and the 2005 World Summit.
